

March Newsletter 2020

As we continue to move through this VERY rainy season, we urge you to stay alert behind the wheel. Keep those phones tucked away, distractions to a minimum, and both eyes on the road! Studies have shown that more people are involved in car accidents because of Rain and Hydroplaning than any other weather condition.

This month WG will be giving away weekly prizes on our Facebook, so make sure you are Following us for your chance to WIN!

Where in the World is WG?

This life-size Warren & Griffin will be traveling around Chattanooga every Wednesday, for a scavenger hunt we call: "Where in the World is WG?"

Every Wednesday there will be clues posted to our Facebook for where WG is located, and the first person to find us will WIN!

Follow us on Facebook to stay up to date, and have a chance to WIN!
