

August Newsletter 2021

As summer is coming to a close, and school is about to start back, we have some exciting upcoming events we would like to share with you! Our law firm has opportunities for you to join us and have fun, win some free prizes, and even free school supplies.

As the "100 Deadliest Days of Summer" continue, we want to remind families how dangerous distracted driving is, and raise awareness at our annual NVR TXT & DRV DAY.

Join us on Thursday, August 5th at Miller Plaza to take the Pledge to End Distracted Driving to Save Lives! Tennessee has been cited as the **worst state for distracted driving fatalities**, especially with our teenage drivers. Come to Miller Plaza in Downtown Chattanooga, and enjoy some Free Food, Live Music, and show your support to promote safer driving habits!

Print and bring this Newsletter for an additional secret Prize!

Free School Supplies

Our law firm knows it has been a tough year on many families, and we want to extend some help to those parents who need a hand. With many students going back to school in the classroom for the first time since 2020, WG may be able to help with some basic school supplies.

Stop by our office beginning on August 5th, to receive some free school supplies for your K-5 students.

Welcome Aboard!

WG welcomes Thatcher Smith to our team of attorney's!

Thatcher was a runner for Warren and Griffin back in the day, and has just completed Law School at LMU in Knoxville.

Thatcher enjoys playing sports, traveling, spending time with his wife, and his cat Rusty. Some of his favorite movies are The Patriot, Pearl Harbor and Star Wars.

If Thatcher was a super hero, he would choose to be Thor. Spinning his hammer of Justice for all of our clients.

Warren & Griffin is excited to have him join our experienced team, and he looks forward to meeting all of you!
