

May News 2021

Spring is a time of growth, and re-birth. As our country becomes fully vaccinated, and massive public events re-emerge, we have much to be thankful for! Warren & Griffin is trying to be as plugged into our community as possible, and you may see us at many sporting events and concerts this summer!

Covid Update: Mask Mandate

Although Tennessee never had an official state wide mask mandate, Gov. Lee has announced the end of public health orders recommending the use of masks. The CDC still recommends wearing them until you are fully vaccinated, and many businesses may require you to wear them. The CDC has also announced if you are fully vaccinated, you don't need to wear a mask outside!

13 months into the pandemic, we are thankful to have free vaccinations available, and mask free events.

Tinker Day at Boyd's Speedway

WG is very blessed to be involved with Boyd's Speedway and the talented Tinker family. Our driver, Sawyer Tinker, is an incredible young man with a big heart, and a lead foot. At only 16 years old, he is one of the most talented drivers in our area, and is very fun to watch cross the checkered flag!

Thank you everyone for your supplies and support this past Saturday for Tinker Day! Volunteers from our community recycled racing tires, and made them into rope swings for children with autism!

Nvr Txt & Taste

We had fun at the Kindey Foundation's Taste fundraiser last week! Thank you for taking the "Pledge" to NVR TXT & DRV, and end distracted driving to save lives!

We are excited to announce that our first in-person NTD Day, since the pandemic, will be in late July - featuring our race car, food truck, and live music!

Employee Spotlight Eva Romero

Eva Romero has been a part of the WG family for almost 8 years, and she was VERY excited to be this month's featured employee!

Outside of work, you can find Eva at the ball fields with her three kids. The Romeros go to a Dodgers game every year in Los Angeles, and their favorite place to be is by the beach!

Eva is a wonderful person to be around, comedic relief, and brutal realist. It's employees like her that make WG the best law firm in Chattanooga!
