

March marks Tennessee's one year exposure to Covid-19, and my what a year it's been! But things are looking up, and more and more vaccinations in our area are becoming available. We hope your family is happy and healthy, and gets to enjoy some of this great weather and activities our city has to offer!

3. Provide a picture of your nominee.

4. Tell us why your nominee should be a Chattanooga Champion.

## Nursing Home Care Packages

Nursing homes and assisted living facilities in Tennessee have been approved to reopen their doors to family members this week! For many families, it has been a year since they have been able to see and hold their loved ones living in these places.

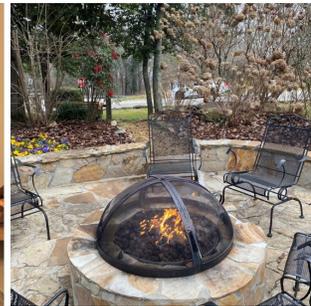

We wanted to celebrate this wonderful news - and gave away some crafts, cozy clothes, and puzzles for family members to bring their loved ones!

WG also wants to recognize and applaud all of the wonderful people who have been working at nursing homes during the pandemic, they have truly been on ground zero of this virus. Thank you!!!

## Valentine's Retreat FB Giveaway

We wanted to share with you the winners of our Vday giveaway last month - Robert and Rebecca Dufty! They won a one night stay from our Facebook, at the Chanticleer Inn Bed and Breakfast atop beautiful Lookout Mountain.
