## Employee Spotlight

This month we welcome Sabrina Striker to the WG Family!

Sabrina comes to us with previous legal experience, and we are so blessed to have her join our ranks. She will be helping our clients in navigating the complicated world of Social Security Disability.

Sabrina graduated from UTC, and has lived in the Chattanooga area for over seven years. Like most Noogan's she loves her dogs, hikes, and outdoors!

We asked her "What have you learned from the pandemic?" She said: (quite poetically) "The value of family and friends - because that's all you truly have during uncertain times. I have also learned that attitude is the difference between and adventure, and an ordeal."

LOCAL LAWYERS YOU ❤️
