Awards in 2020

Warren and Griffin, P.C. has been chosen by Edge Magazine as one of the best places to work in 2020!

This is the first time our law firm has been nominated for this award, and we could not be more proud of our employees.

Voted Chattanooga's Best Law Firm
for 5 years in a row!

This is also a first accomplishment for
our law firm, and we believe it is a

reflection of how hard we work for YOU in your case.

Thank you for voting us the Best of the Best in Chattanooga!

Backseat? Buckle Up.

Warren & Griffin's newest safety campaign is amending our current laws to make it mandatory for ALL passengers to wear a seat belt.

Currently in both the state of Georgia and Tennessee, it is not mandatory to wear a seat belt in the back seat of a vehicle if you are over 17 years old.

We want to amend this law, because whether you are in the front OR back seat of a vehicle it is the same risk of injury (or even death).

Legislators in Georgia are currently working to amend their seat belt law which hasn't been modified since 2010. 90% of polled Georgians support this bill to make wearing a seat belt more strict.

Tennessee needs to get on board as well.

Seat Belts Save Lives. Why not Buckle Up?
