ATTORNEYS AT LAW

May the Fourth be with you!

We had an awesome turn out at our NVR TXT & DRV DAY!
We have a couple more events coming up in the near future,
including a Cinco de Mayo event tomorrow in Dalton!
The 100 Deadliest Days of Summer begins the end of this month, a historic
time period when our teens are at a high risk of dangerous driving.
One of our law firm's fundamental values is to raise awareness of the
dangers of distracted driving.

The "100 Deadliest Days" is the time period between Memorial Day and Labor Day when young drivers are at a higher risk of being involved in a fatal car crash. Talk to your teens, and limit how many passengers they drive or ride with. Practice phone-free

driving habits, obey speed limits,
and place curfews for new drivers.
