"NVR TXT & DRV DAY" Dalton

A BIG Thank You to everyone who made Never Text and Drive Day in Dalton such a success! Thank you for taking The "Pledge" to save lives by ending distracted driving! This has been our Law Firm's creed since the invention of the iphone, and we saw such a large uptick in distracted driving car wrecks. These are statistics we can change by just placing our phone on silent, and responding when we reach our destination!
