

October News

October is Breast Cancer Awareness Month!

We want to show our support to patients, survivors, mothers and daughters and raise both awareness and funds to fight cancer.

We aim to raise even more money this year than we did last year!

WG has some very EXCITING events this month that we want to make you aware of, and are also celebrating a *DECADE* of being voted

Chattanooga's Best Law Firm!

Thank you Chattanooga, and our Community... We couldn't do it without your support!
