

April News 2025

April is Distracted Driving Awareness Month!

Distracted Driving is something our Law Firm takes seriously.

Distracted Driving is one of the leading causes of crashes.

In the past four years TN has averaged 20,000 car wrecks per year due to distracted driving. If everyone was to make driving without distractions their priority we could significantly decrease this number and save thousands of lives!

Every year we host **NVR TXT & DRV DAY** to raise awareness, engage with our community, and giveaway a TON of Prizes!

NVR TXT and DRV Day, The Cleveland Hot Slaw and Art Y'all Festival, Annual Westside Easter Egg Hunt, TASTE, JFEST, and more events are coming up! We hope to see you soon!
