February

February News 2025

Love is in the Air, and Warren and Griffin is excited to announce our annual Valentine's Giveaway next week on our social media pages!

Today is National **GO RED** Day to spread awareness for Heart Disease, especially in women. Heart disease is the leading cause of death in the United States AND the leading cause of death for women internationally.

We wanted to share some fun moments we had over the past month at Ice on the Landing, and let you know about some events coming up!

[Follow us on Facebook!](#)

Every year we challenge our staff to wear as much RED as they can for **GO RED Day!** And of course don't they look decked out! Sabrina Ingram came in First Place for the most red items worn, Sheila Wishart came in Second, followed by Judy and Anna! We want to thank our staff for always going over the top to show their support to raising awareness in our community!

The Ice Skating season is officially wrapped up, We hope you were able to take advantage of this great local attraction!

Warren and Griffin was able to take hundreds of Pledges to Save Lives and "NVR TXT & DRV"

We hosted a Private Ice Skating night for our Staff and their families, and even had a Skillet Curling Team that competed in the Tournament! It was a fun season, but we are looking forward to some warmer activities that don't involve freezing temperatures!!

Employee of the Month

Sabrina Ingram

Please help us congratulate our Employee of the Month,
Sabrina Ingram!

If you have ever worked with Sabrina on your Social Security Disability case then you know she is understanding, caring, and dedicated to helping! We are blessed to have 5 Star Employees like Sabrina working tirelessly for their clients!
