We hope everyone had a great Summer!

As more schools reopen their doors, please remember to slow down in school zones and stop for school busses. You may consider adding some extra time for your commute. Speed is a big factor in most car wrecks, and you don't want to be forced to speed to make it somewhere on time!

Our Chattanooga, Cleveland, and Dalton Offices had a great turnout for our School Supply giveaways!

**Over \$5,000 and loads of school supplies was also collected for local teachers in need thanks to your contribution!**

Thank you for being a part of our community, We hope to see you at a High School Football game coming up!!

Coming to a school near you!

We are thrilled to partner with The 24/7 Movement's Safe Driving Campaign this high school football season.

The message is simple : Buckle Up, Phones Down, Drive Sober.  
We strive to educate our community, and especially inexperienced drivers about the dangers of distracted driving.

**When you look down at your phone for just ten seconds on the interstate, that is equivalent to driving the length of a football field blindfolded.**

We hope to see you at your local home game, stop by our booth to take the Pledge to NVR TXT & DRV to Save Lives!
