## A large group of cheerleaders in blue and white uniforms, many with black face paint, posing under a white tent. A young boy in an orange shirt stands in the center. The tent has "BUCKLE UP - FRONT DOWN - DRIVE SOBER" and "THE 24/7 MOVEMENT" banners. A table in front of them displays various items including a soda bottle, brochures, a QR code, and a photo of a couple.

Coming to a High School Football game near you!  
 Stop by and show your support to ending distracted driving.  
 Educating our youth about safe driving habits is very important.  
 This generation is very attached to their devices, and it is our responsibility  
 to be good examples, and show them the importance of driving distraction  
 free.

**The 24/7 Movement** is an amazing non-profit that helps educate our  
 community with simulators, visual aids, and real testimony. Created out of  
 a tragic loss, the Dillard Family decided to make a difference and use their  
 story for good. We applaud their efforts, and endlessly support their cause!

**Buckle Up. Phones Down. Drive Sober.**
