Having a  
Dashcam could  
be your **Lucky  
Charm** if you're  
involved in a car  
wreck!

This St. Paddy's Day, Warren and Griffin is giving away 5 FREE Dashcams! It could be your *Lucky Charm* if you're involved in a car wreck!

We have had a handful of clients lately who have been able to prove they were not at fault using their dashcam video, and add instant value to their case!

We were honored to be chosen as a *Firm Spotlight* in the TTLA Winter Edition! Keeping our community safe drives every decision made in our law firm. We are able to spread our message through numerous community events every year, and will continue to engage with our community at every possible level. Arrive Alive, NVR TXT & DRV!

**W**arren and Griffin, P.C. has been practicing law for over 36 years in the greater Chattanooga, Cleveland, and North GA area. Our mission statement is simple, we reference Proverbs 31:8 "Speak up for those who cannot speak for themselves."

We are community driven, and try to interact and engage with our community at every possible level. We are able to do this through hosting events, sponsoring numerous local attractions, and culturing a growing social media community.

Throughout the years Warren and Griffin has hosted "NVR.TXT & DRV" events to promote safe driving habits to all ages. In 2025, through our participation and sponsorship of local events, WG received over 1,000 Pledges to Save Lives and Never Text and Drive! Setting up a booth is not enough, you have to make it fun to attract attention and then you can drive home your message.

In Fall 2025, we raised over \$2,500 for our Local Chattanooga Food Bank when funding was running out and SNAP benefits loomed to be cancelled. We have partnered with our Food Bank for many fundraisers over the years during "Share your Christmas", "Food Frenzy", etc.

Warren and Griffin spearheaded an initiative with Former TN Representative JoAnne Favors to require school buses to install seat belts after a tragic event in our community. The Woodmoore Belts on Buses campaign was initiated after six children were tragically killed in a bus one morning on their way to school. Warren and Griffin loaded up school buses from our community, and drove to Nashville to support this legislation.

Our staff dedicate their time to community service, through United Way Day of Caring every year.

As of Fall 2025, Warren and Griffin have Five "Legacy Employees" who have been with our Firm for over 10 years. We like to think this exemplifies a unique workplace culture, and happy employees make our clients happy in return.

This past Halloween, we shared a special Trick or Treat opportunity with Siskin Children's Hospital and our staff got to dress up and walk up and down their halls sharing candy with patients.

We are also proud to have had TWO Grand Openings this past year; opening our new Chattanooga office, and our very first Cleveland, TN office.

Voted Chattanooga's Best Law Firm 11 years in a row, with over 2,500 5 Star Google Reviews - We are Chattanooga's Local 5 Star Law Firm.

Warren and Griffin has been successful by engaging in our community at every possible level, giving back whenever possible, and setting a standard for client care.
