The 100 Deadliest Days of Summer

From Memorial Day to Labor Day young drivers are at a greater risk of being involved in a fatal car wreck. There are lots of distractions and factors why these numbers climb every year. Our law firm would like to reduce these numbers, provide our community with helpful resources, and Save Lives!

Before your kids take to the road with their friends this summer, sit down and go over this "Parent-Teen Agreement."

Submit it to WG and redeem a **FREE \$10 Chick-fil-a Gift Card!**
