High School Football Safety Campaigns

Join us tonight for two Friday Night Lights games to promote safe driving habits! Stop by The 24/7 Movement's tent to show your support to keep our community safe!

They have some interactive tools to help educate young drivers, and also have fun and win prizes!

Join our Community Safety Partners, **The 24/7 Movement**, and Volunteer to help work your school's football game if possible! We support their mission, and they do an outstanding job of teaching safe driving habits and consequences to our young drivers.

We were honored to be a part of **SAFETY FEST** this past weekend in Cleveland! Over 2,000 people came out to show their support to encourage safe driving habits and save lives!

Thank you for taking the Pledge to **NVR TXT & DRV!**
